Summer Recruitment

We are now into summer holiday time, for some well deserved breaks!

July has been a slow month for recruitment, with **4** patients so far.

We ask that sites continue to screen and recruit as much as possible during the summer to try to keep to our **19** participants per month target.

Please let us know if you're having issues preventing you from recruiting.

Co-Enrolment

If you have a query regarding **co-enrolment agreements**, please reach out to us. We are happy to explore new agreements wherever possible to boost recruitment.

Reminders

- Please enter your **screening logs** on to the database **weekly**.
- Data **queries** will be sent out to sites at the start of **every month** – please complete these as promptly as you can.
- Quarterly **Deviation Log requests** and **Invoice Reminders** will be sent to the relevant site contacts at the beginning of **each quarter** – please respond to these prompts in a timely manner so any compliance or financial discrepancies can be addressed quickly.
- We are registered for the **NIHR Associate PI Scheme** – if your site is interested in having an API, please contact us and we can advise on how to proceed. Remember, sites can have **more than one** API and the scheme is not limited to doctors/consultants.
